

# 2018 ASIA-PAC SITE SOLUTIONS SUMMIT AGENDA

TUESDAY, 17 JULY ♦ DAY ONE	
07:30 - 09:00	<b>Registration Open</b>
08:00 - 09:00	<b>Networking Breakfast</b>
09:00 - 09:15	<b>Welcome</b> <i>Sponsored by StudyKik</i>
09:15 - 09:25	<b>Welcome from the Victorian Government</b> <i>The Honourable Frank McGuire</i> <i>Parliamentary Secretary for Health &amp; Medical Research</i> <i>Victorian Government (Australia)</i> <b>Tam Nguyen, PhD, MBA</b> <i>EO Research, St Vincent's Hospital Melbourne (Australia)</i>
09:25 - 10:10	<b>Innovative Solutions to Increase Clinical Trials in Australia</b> Join key industry stakeholders to uncover innovative methods to bring more clinical trials to Australia, and to your site. <b>Tam Nguyen, PhD, MBA</b> <i>EO Research, St Vincent's Hospital Melbourne (Australia)</i> <b>Dr. David Fuller</b> <i>Senior Vice President, Clinical Development, Syneos Health (Australia)</i> <b>Dr. Megan Robertson</b> <i>Director of Research, St. Vincent's Hospital Melbourne (Australia)</i> <b>Andrew Wear</b> <i>Director, Medical Technologies &amp; Pharmaceuticals, Department of Economic Development, Jobs, Transport &amp; Resources (Australia)</i>
10:10 - 10:45	<b>The Site Landscape: Benchmark Your Site</b> Set the stage for your Summit experience! Keep your finger on the pulse of clinical research with SCRS Vice President of Global Engagement, Dan Milam, as he shares fresh insight into evolving industry trends and metrics that will position your site for success. <b>Dan Milam</b> <i>VP Global Engagement, Society for Clinical Research Sites (USA)</i>
10:45 - 11:15	<b>Networking Break</b>
11:15 - 11:45	<b>Patient's Voice</b> Clinical research has long been identified as the most important vehicle to deliver change to the medical community. However, without the definitive presence of the patient's voice, this research falls flat and fails to adequately address the factor that once revved its engine: the needs of the patient. Hear firsthand perspectives from patients on how the clinical research industry can amplify the patient's voice and improve how we address their concerns and needs. <b>Cheryl-Ann Hawkins</b> <i>Senior Clinical Research Nurse Consultant, Monash Health, Monash Medical Centre (Australia)</i> <b>Emma Burt</b> <i>Research Study Patient</i> <b>Effie Atkins</b> <i>Research Study Patient</i>
11:45 - 12:30	<b>Asia-Pac Site Patient Recruitment Innovation Award<sup>SM</sup> (SPRIA AP) Presentations</b> This coveted award comes to the Asia-Pac Site Solutions Summit to recognize innovative strategies used by sites to achieve enrollment success. Emphasis will be placed on innovative, unique, and effective patient-directed initiatives that take the patient's perspective on participation into account. <b>Zack Metcalf</b> <i>Director of Pharmaceutical Relationships, StudyKik (USA)</i> <b>Bill Lam</b> <i>Director, Clinical Site Management, Pfizer (Australia &amp; New Zealand)</i> <b>Amy Behrakis</b> <i>Operations Manager, Clinical Development, Syneos Health (Australia &amp; New Zealand)</i> <b>Andrew Huxley</b> <i>Regional Director, Clinical Operations for Asia Pacific, Eli Lilly Australia Pty. Limited (Australia)</i>
12:30 - 13:30	<b>Lunch</b>
<b>Break-Out Sessions</b> The Site Solutions Summit is truly YOUR meeting to customize for YOUR needs. Four, one-hour sessions with multiple topics relevant to your site's success and sustainability will be presented for your selection. All sessions include active participation with either moderated panels or esteemed presenters that will provide many valuable takeaways.	
<b>Session Formats</b> <b>Learning Lab</b> Expert presenters will provide an in-depth review of challenging topics facing the clinical research industry.	
<b>Site Matters<sup>SM</sup></b> A cross-section of expert panelists will discuss industry and site pain points and identify solutions.	
13:30 - 14:30	<b>Break-Out Session I</b> <b>LEARNING LAB</b> <ul style="list-style-type: none"> <li>Implementing Quality Management Systems to Achieve Site Sustainability</li> </ul> <b>SITE MATTERS<sup>SM</sup></b> <ul style="list-style-type: none"> <li>Justifying My Recruitment Budget to Get the Dollars I Need</li> <li>Transforming Risk-based Monitoring Pain Points into Solutions</li> <li>Tele-trials: The Future of Clinical Trials?</li> </ul>

TUESDAY, 17 JULY ♦ DAY ONE	
14:30 - 15:00	<b>Networking Break</b>
15:00 - 16:00	<b>Break-Out Session II</b> <b>LEARNING LAB</b> <ul style="list-style-type: none"> <li>The Fast Track: Phase 1 Studies</li> </ul> <b>SITE MATTERS<sup>SM</sup></b> <ul style="list-style-type: none"> <li>Creative Solutions to Keep Your Staff</li> <li>Complex Studies -&gt; Complex Budgets</li> <li>Site Selection Mysteries</li> </ul>
16:00 - 16:30	<b>Networking Break</b>
16:30 - 17:30	<b>Break-Out Session III</b> <b>LEARNING LAB</b> <ul style="list-style-type: none"> <li>ICH Update: Changes &amp; Impact on Sites</li> </ul> <b>SITE MATTERS<sup>SM</sup></b> <ul style="list-style-type: none"> <li>Thinking Beyond the Per-patient Costs</li> <li>Let Your Site Metrics Speak for Themselves</li> <li>Study Start-up: Process Improvements to Enhance the Outcome</li> </ul>
17:30 - 19:00	<b>Site Appreciation Reception</b> Celebrate stakeholder collaboration in true Asia-Pac Summit fashion! Join SCRS in celebrating the partnership of the sites. The partnership and networking opportunities available at the Asia-Pac Summit are truly what gives the event its innovative edge. Come together to celebrate the current, future and ongoing partnership of the sites. <i>Sponsored by Syneos Health</i>

WEDNESDAY, 18 JULY ♦ DAY TWO	
07:30 - 09:00	<b>Registration Open</b>
07:30 - 09:00	<b>Networking Breakfast</b>
09:00 - 09:20	<b>Opening Remarks</b>
